

Riesling Dry

2019

The Riesling Dry is our signature wine. Sourced from each of our three distinct vineyard sites, it epitomizes Riesling's dynamic range. Layers of citrus, stone, and tropical fruit are underpinned by taut acidities and a clean mineral finish.

Riesling Semi-Dry

2018

Generously fruit-forward and refreshingly light, the Riesling Semi-Dry displays our signature varietal's natural verve. Sourced from early picks in vineyard blocks surrounding Seneca Lake, it offers aromas of wildflower and orchard fruit against a lean, citrus backbone.
