

Gewürztraminer

2019

Vivid, floral aromas, accompanied by hints of fruit and spice showcase the distinctive characteristics of the varietal. A delicate balance power and finesse lead into a long, zesty finish, a perfect accompaniment to earthy or spicy food.

Grüner Veltliner

2019

Our Grüner Veltliner is planted on a stretch of exposed shale at the western edge of our Josef Vineyard. The warmth of this site builds a round, weighty mouthfeel into this wine. This counterpoises its subtle aromas of citrus zest, bay leaf, and flint.

Field White NV

Young-vine Grüner Veltliner sets the foundation for our Field White. Regional staples Riesling and Chardonnay fill its aromatic and fruit profile. With texture, length, and a lithe structure, we think it's what an everyday Finger Lakes white should be.

"This is one of the region's indisputable flagships - one of its greatest estates."

-Mark Squires, Wine Advocate
